Judge Poland has just reached his fif-

tieth year, and is in the prime of a vigorous manhood. Gifted by nature with an intellect of great breadth and scope, a an early age he was elevated to the Supreme Bench of this State. With a keen. analytical mind, great practical sense, and vast capacity for the dispatch of business it is not strange that he has come to be regarded as one of the best Judges that has ever adorned our Bench. With at intellect severely disciplined by an extensive practice at the Bar and a still longer experience upon the Bench, he will carry with him to the Senate qualities which will render him capable of grappling with the grave questions which so sorely vex the wise men of the nation, and upon whose judicious adjustment the future prosperity of the country depends.
